

JERUSALEM ESTATES MID-2023 STATUS REPORT

An Update from the Team Onsite

In the days of *Bein Hametzorim* when we mourn the destruction of Yerushalayim, we are gratified to share with you the progress of Jerusalem Estates.

In the last half year, we signed contracts totaling NIS 250,000,000. Only a limited number of uber-premium, spacious apartments remain for sale in Buildings 6 and 7. Buildings *HaKarkov*, *HaKad*, *HaDekel*, *HaNevel*, *HaGevia* have been inhabited for nearly two years by dozens of happy families, while *HaChatzotzrot* and *HaKinor* will be receiving occupancy permits shortly. Work has begun on the building interiors of *HaLulav* and *HaOgen*, while construction on *HaGefen* and *HaEshkol* is set to be completed in 2 months, and *HaRimon* and *HaEtrog* are under construction as well.

We are also nearing the completion of another phase of the Bronze Guest Suites,

for guests looking to experience the highest level of luxury in the center of the city. In addition, an extension is currently underway at the Cardo shopping complex. Construction has begun on the complex's amenities, located near Buildings 6 and 7, and we'll soon be able to see the vision come to life: The *Livnat HaSapir Shul*, the Ruby Wine Cellar, the Topaz Lounge, the Emerald Event Hall, the Aquamarine Men's *Mikvah* and the Opal and Jasper Men's and Women's Gyms.

We're pleased to keep receiving the most incredible feedback from our discerning clients, who know to appreciate the unprecedented fusion of authentic history and luxurious residential living in the heart of Yerushalayim. TWO YAD L'ACHIM LIVE TU B'AV EVENTS NEXT WEEK

BY MIA PERLMAN

Years ago, when Yad L'Achim began receiving calls about Jewish women trapped in Arab villages, it established a division dedicated to their liberation, as well as to the prevention of such situations. These women are often rescued with nothing more than the clothes they are wearing and Yad L'Achim helps provide them with basic necessities to begin rebuilding their lives. With Hashem's help, many of these women have gone on to marry *bnei Torah* and establish Jewish homes.

Recognizing that this isn't always a quick or easy transition, Yad L'Achim arranges for *talmidei chachomim* to *daven* in *mekomos hakedoshim* such as Amuka and Meron that the women should merit finding their *shidduch*. Soon, Yad L'Achim began accepting names for *tefillah* from Jews across the world, who wanted the *talmidei chachomim* to *daven* for them as well. For many years, Yad L'Achim arranged for a *minyán* of *talmidei chachomim* to *daven* in Amuka, an auspicious place to *daven* for a *shidduch*, on Tu B'Av, an auspicious day to *daven* for a *shidduch*. There never was and never will be any donation required to submit names for *tefillah* through Yad L'Achim.

Six years ago, with the *brocha* and encouragement of Rav Chaim Kanievsky, Yad L'Achim launched "Tu B'Av Together," when not only do the *talmidei chachomim* *daven* in Amuka, but Jews all across the world unite to *daven* for all the singles in *Klal Yisroel*, reciting specific *kapitlach* of *Tehillim* on Tu B'Av — together!

There are several ways to participate: Two inspiring, uplifting events will be live-streamed on TuBavTogether.com, both hosted by Nesanel Gantz. The first will take place on the eve of Tu B'Av, Tuesday, August 1, beginning at 7:30 p.m. EST, with a program of *shidduch* tips and inspiration from renowned speakers as well as musical performanc-

es from leading superstars.

Speakers will include Reb Ari and Reb Yossi Bensoussan, Dr. David Lieberman, Reb Yisroel Majeski, Reb Yonasan Schwartz, Reb Ben Tzion Shafier, Reb Meir Sperling, and Reb Eli Stefan-sky.

There will be musical performances by: Yehuda Green, Levi Falkowitz, Eitan Katz, Simcha Leiner, Shulem Lemer, Joey Newcomb, Ohad Moskowitz, Moshe Tischler, and Zusha.

On Wednesday, August 2 the live Tu B'Av Together *tefillah* event will begin at 10 a.m. EST and continue for several hours, broadcast live at TuBavTogether.com to hundreds of thousands.

Opening remarks will be delivered by Rav Yisroel Reisman. Inspiration, as well as eight chapters of *Tehillim* will be led by the following *rabbonim*: Rav David Ashear, Rav Shlomo Cynamon, Rav Eytan Feiner, Rav Dovid Goldwasser, Rav Joey Haber, Rav Sholom Kamenetsky, Rav Nissan Kaplan, Rav Paysach Krohn, Rav Berel Lazar, Rav David Ozeri, Rav Fishel Schachter, Rav Efraim Twerski, and Rav Yussie Zakutinsky.

The following eight *kapitlach* will be recited: 32, 38, 70, 82, 121, 124, 127, 128.

At TuBavTogether.com, names can be submitted for *tefillah* for free to the *minyán* of *talmidei chachomim* in Amuka. Over the past year, Yad L'Achim has received hundreds of messages from people who got engaged since submitting their names to last year's Tu B'Av Together *tefillah*. Last year, over 500,000 Jews in places as far-flung as Venezuela, Puerto Rico, Alaska, Hong Kong, Cyprus, Greece, and Argentina participated in the *tefillah* and live events.

To submit names for *tefillah* for free, download the chapters of *Tehillim* in advance, and watch the live events, visit www.TuBavTogether.com or call Yad L'Achim (24/6) at 1-866-923-5224.
